Dear Member

As agreed at the 2017 AGM, instead of a show fee and weekly sub each member participating in a show will pay a show subscription which will help cover some of the costs of rehearsing and performing each show. The annual society membership fee will continue as normal from January to December, although our financial year runs from September to August.

The fees for **Little Shop of Horrors** are below:

Fees Due	Annual Membership Fee	Show Subscription
Adult	£15	£50
Students (over 16 in full time education)	£15	£20
Children aged 16 or under	-	£20

All these fees can be paid via a bank transfer to the society bank account:

Bank:	HSBC
Account Name:	Trowbridge Amateur Operatic Society
Sort Code:	40-44-33
Account Number:	01112961
Reference:	First initial and surname e.g. <i>C Borovac show subs</i>

When you have made the transfer please send an email, if possible with a screenshot of your payment authorisation, to Claire Borovac membership@taosmusicaltheatre.co.uk so the records can be updated.

NEW - Payment can also be made by card (chip/pin or contactless), ApplePay and AndroidPay, cash or cheque.

For those who wish to audition for a principal part in a show, the annual fee must be paid prior to audition – there will be no exceptions. The show subscription must be paid before the show is performed, in instalments if necessary, and preferably as soon as rehearsals begin.

The show subscription covers the hire of the rehearsal venue, accompanist etc. and includes a free drink (tea, coffee, biscuit), cost of hiring the theatre, orchestra/band, costumes, props, scenery, lighting, sound and all the other things that go into the performances – typically around £8,000 - £10,000 per show.

If you would prefer to pay the show subscription in instalments (e.g. 2 payments of £25) please speak to me. If you are unclear about the fee structure, or would like to talk about your specific circumstances, please contact me.
